SUMMARY

This chapter outlines the composition of precinct boards and the appointment of election officers to these boards for the various elections held.

Precinct boards appointed for each precinct are made up of voters of the state. A member of the precinct board may serve only in the precinct for which his or her appointment was received. Senior class high school students who meet specified requirements may also serve. (§ 12302.) The composition of the precinct board shall be determined by the elections official based on election precinct size. The precinct board shall consist of a minimum of one inspector and two clerks. Additional clerks may be allocated in proportion to the number of registered voters within the precinct. (§ 12304.)

The members of the precinct boards are to be appointed by the elections official in charge of the election not less than 29 days prior to the election. (§ 12286.) In constituting precinct boards, the elections official may excuse persons appointed who the elections official is satisfied ought to be excused. Substitutions may be made when any person appointed is excused or found disqualified or incompetent, until a final or amended list of election officers is sent to the inspector for that precinct. (§ 12316.) If the precinct board members for any precinct have not been appointed or cannot serve, the elections official shall, by written order, immediately appoint the precinct board members and shall notify each precinct board member of such appointment. (§ 12327.)

Each member of a precinct board shall receive a stipend for services fixed by the governing body of the jurisdiction. This sum shall be paid out of the treasury of the jurisdiction in which the election is held. The inspector may receive more compensation than the other members of the precinct board. The additional compensation to the inspector is for services rendered in securing precinct board members and other duties which may be directed by the elections official. (§ 12310.)

A student may be appointed, notwithstanding lack of eligibility to vote, subject to the approval of the board of the educational institution in which the student is enrolled, if the student possesses the following qualifications:

2. Appointment of Precinct Board.

When and by Whom Appointed

The members of the several precinct boards are to be appointed not less than 29 days prior to the election, by the elections official having charge or control of the election in the political subdivision in which such election is to be held. (§ 12286.) For a state or county election the appointing power is the board of supervisors of the county; and for a municipal election the city council or other governing body of the city, or any board or officer to whom similar powers and duties are given by charter. (§ 319.) If the precinct board members for any precinct have not been appointed or cannot serve, the elections official shall, by written order, immediately appoint the precinct board members and shall notify each precinct board member of such appointment. (§ 12327.)

Substitute Appointments

Upon filing the list of names and addresses of those who have been appointed members of the precinct board, the elections official shall immediately mail or deliver to each voter so appointed, a notice stating the appointment and the position to which assigned, the penalty for failure to serve, and any other matter that the elections official determines. (§ 12307.)

At the request of the elections official, the legislative body may contract with any qualified person or organization for purposes of instructing inspectors in accordance with this section. (§ 12309.)

No person shall be suspended or discharged from any service or employment because of absence while serving as an election officer on Election Day. (§ 12312.)

III. DUTIES OF ELECTIONS OFFICERS BEFORE OPENING POLLS

SUMMARY

Chapter III defines for the election officers those duties to complete prior to the opening of the polls on an Election Day. Also included in this chapter are checklists of the various materials needed at each polling location and instructions in case these materials are missing or damaged.

The polling places shall be arranged so that neither the ballot containers nor the voting booths or compartments shall be hidden from the view of those present. (§ 14211.)

If, for any valid reason, the polling place designated for any precinct cannot be used, it is the responsibility of the elections official or, in the case of an emergency, the precinct board, on the day of the election, to locate a sufficient polling place near to the original polling place and duly post a notice of the change at the former site. (§ 12281.)

Eligibility to serve as an election officer depends upon signing the required declaration of intention to fulfill the assigned duties. Signing shall take place in front of a witness and is as binding as an oath of office. (§ 12321(a)(2).)

The inspector's signed declaration should be returned to the elections official 15 days before the election or may be signed on Election Day prior to beginning his or her duties. (§ 12321(a) (d).) All other election officers will sign the declaration on Election Day prior to the opening of the polls. (§ 12321(b).)

Before every election, the county elections official will deliver to the precinct board various documents and supplies that must be present at the polling place. Included are three copies of the index of affidavits of registration for the precinct and any necessary supplement bringing the index up to date. (§ 2189.) A complete list of necessary election supplies can be found starting on page 9.

Official ballots shall be delivered by the elections official in sealed packages and must be signed for by a precinct board member who will return the endorsed receipt to the elections official. (§ 14104.) The elections official shall provide a sufficient number of official ballots for each precinct. Additional ballots will be provided for absentee or emergency purposes. (§ 14102.) Page 11 states the procedure to use if the ballots do not arrive or are damaged upon arrival.

Election officers are required to post various materials in the polling place in clear view of those present. The essential materials are listed starting on page 12. A form of the Roster of Registered Voters can be found starting on page 13. The roster may, however, be kept in the form of the index to the affidavits of registration for that precinct. The index should provide, to the left of each name, ample space for the voter to sign his or her name. (§ 14109.) The roster may be inspected by any person at any time while voting is in progress or while votes are being counted. (§ 14223(b).)

1. Polling Place

Change of Location of Polling Place

If, for any valid reason, the polling place designated for any precinct cannot be used, the elections official or, in the case of an emergency, the precinct board on the day of election, shall designate another polling place as near the place first designated as possible, post notice on or near the place first designated, and conduct the election at the new location. (§ 12281.)

Restriction; Alcoholic Beverages

A place where the primary purpose of the establishment is the sale and dispensation of alcoholic beverages may not be used as a polling place. A polling place may not be connected by a door, window, or other opening with any place where any alcoholic beverage is sold or dispensed while the polls are open. (§ 12288.)

Arrangement of Polling Place

The polling places shall be arranged so that neither the ballot containers nor the voting booths or compartments shall be hidden from the view of those present. (§ 14211.)

The declaration shall be signed before any member of the precinct board. The form for each of the declarations shall be provided in the roster for the precinct. (§ 12321(b).)

Any precinct board member may administer and certify oaths required to be administered during the progress of an election. This authorization shall include the power to give any type of oath required of a public employee. There shall be no fee or charge for administering an oath. (§ 12321(c).)

All members of the precinct board shall sign this certificate. (§ 14107.)

NOTE - A distinction should be noted between the "roster" just mentioned and "tally sheet." The former is to contain the signatures of the voters, the number thereof being certified to by the election officers, whereas the latter ("tally sheet") is to contain the tally or count of the votes and a record thereof also signed by the elections officers. The former is signed before the ballots are opened, the latter after the ballots are opened and counted.

Fill in Blanks at Head of Roster

At the head of the roster, if not already stated, one of the officers shall designate in writing the election and date thereof, and the number of the precinct.

Form of Roster; Warning

The roster shall contain in no less than 6-point type at the head of each page the following words:

“WARNING: It is a crime punishable by imprisonment in the state prison or in county jail for anyone to fraudulently vote, fraudulently attempt to vote, vote more than once, attempt to vote more than once, impersonate a voter, or attempt to impersonate a voter (Elections Code Sec. 18560).” (§ 14108.)

Roster in the Form of Index to Affidavits of Registration

Notwithstanding Sections 14105 and 14107, the roster to be kept by each precinct board may be in the form of an index to the affidavits of registration for that precinct, in which case the index shall provide space of sufficient size to allow each voter to sign his or her name pursuant to Section 14216. (§ 14109.)

Inspection of Roster

Any person may inspect the roster while voting is in progress and while votes are being counted. However, this shall not be done at a time or in a manner which will impede, interfere, or interrupt the normal process of voting. (§ 14223(b).)

IV. CONDUCT OF ELECTIONS

SUMMARY

Chapter IV defines for the precinct official those regulations pertaining to voters' rights and to the rights of election officers to deny access to the polls. This chapter also outlines proper balloting procedures.

For all primary and general elections, polls open at 7 a.m. and close at 8 p.m. If a precinct board cannot provide a qualified voter with a ballot, the elections official will deliver additional ballots and the polls will remain open until 10 p.m. on Election Day. (§ 14299) In municipal elections, the polls must remain open for at least 8 consecutive hours. (§ 10242) Voting may take place as soon as the polls open and will continue until they close. (§ 14214.)

Any United States citizen, 18 years or older, properly registered to vote in the State of California may vote in any election held within the territory where he or she resides. (§§ 2000, 10000.) Page 17 explains the procedure to take if a voter is erroneously placed in a precinct other than the one in which he or she lives.

Upon entering the polling place, the voter should announce himself or herself and write his or her name and address in the space provided on the roster of voters. Page 18 outlines the procedure to be followed if the officer is unable to find a voter's name on the index of registration and a provisional ballot is necessary. A provisional ballot allows the voter to vote whereupon the specially sealed ballot will be counted only after proper confirmation of registration is determined by the county elections official. (§ 14310.)

An election officer may orally challenge a prospective voter within a polling place for any number of reasons. The procedure and the various grounds for which a voter may be challenged are found starting on page 19. Determining the domicile of a voter plays a pivotal role in the challenge process. The domicile of a person is that place where a voter's habitation is fixed, so that after any absence he or she intends to return. The definitions of "residence" and "domicile" for voting purposes and laws relating to the definitions are listed starting on page 21. Any challenged person refusing to take a properly administered oath pertaining to any question of residence must not be permitted to vote. (§ 14249.) The precinct board is under obligation to keep a list of all challenges, containing all information listed on pages 22-23. (§ 14252.)

Each voter will receive from the precinct board only one ballot. (§ 14278.) A facsimile ballot containing ballot measures and instructions printed in an approved foreign language will be provided upon request unless sample ballots and ballots for voting are already furnished in that language as provided by law. (§ 14219.)

Voting booths shall be occupied by only one person at a time unless a voter is eligible to receive assistance under the assisted voter provisions (see pages 24-25). (§ 14224.) The precinct officers shall keep a list of those voters receiving help and shall return the list. (§ 14283.)

A ballot shall be marked only with the marking device provided by law. (§ 14284.) If a voter spoils or defaces a ballot, the voter should immediately return the ballot to the ballot clerk and receive another ballot. A total of three ballots will be granted in this manner. (§ 14288.) Those ballots marked by the ballot clerk as spoiled will be returned to the elections official with the unused ballots. (§ 14290.) Before depositing a properly voted ballot into the ballot box, the precinct inspector will remove the slip containing the number of the ballot and hand it to the voter. (§ 14225.) At least once each hour until 6 p.m., a precinct board member shall identify, on a posted copy of the index of registration, those voters who have voted, by drawing a line through their names. (§ 14294.)

"Absentee voter" means any voter casting a ballot in any way other than at the polling place. A "special absentee voter" can be any member of the armed forces, their spouses and dependents; any U.S. citizen living outside the territorial limits of the U.S., or any person serving on a U.S. documented merchant vessel. (§ 300.) A "permanent absent voter" is a registered voter who has requested their county elections official send them an absentee ballot for every election. (§ 3201.) An absentee voter can vote in a polling booth by surrendering the unused absentee ballot to

the precinct inspector. (§ 3015.) Any absent voter who is unable to surrender his or her absent voter's ballot shall be issued a provisional ballot. (§ 3016.) Persons not planning to vote absentee but who find themselves physically incapable of reaching the polls on Election Day may have a ballot delivered by an elections official to any authorized representative of the voter. (§ 3021.) Voting restrictions placed on special absentee voters reentering the county prior to Election Day can be found on page 29.

Voting booths will be closed to all voters appearing in the polling place after the announcement of closing is made by a precinct official. The polls will remain open for those waiting to vote prior to the announcement. (§§ 14401, 14402.) Members of the precinct board shall account for the ballots delivered to them by returning a sufficient number of unused ballots to make up, when added to the number of official ballots cast and the number of spoiled and canceled ballots returned, the number of ballots given to them. The officers receiving returned ballots shall compel this accounting. The precinct board shall also complete and sign the certificate of performance prescribed in Section 15280, if that section applies. (§ 14405.)

1. Opening of the Polls.

Time of Opening Polls

The polls shall be open at 7:00 a.m. of the day of any election. (§ 14212.)

At Municipal Elections in General Law Cities

The polls shall be open on the day of election between the hours that the governing body determines, but not less than eight consecutive hours. The hours of opening and closing the polls shall be specified in the notice of election, or shall otherwise be the same as provided for general elections. (§ 10242.)

Opening Announced

Before the precinct board receives any ballots, it shall proclaim aloud at the place of election that the polls are open. (§ 14213.)

Ballot Box to be Opened, Exhibited and Closed; Not Removed or Opened Until Polls Are Closed

Before receiving any ballots, the precinct board, in the presence of any persons assembled at the polling place, shall open and exhibit and close the ballot container or containers. Thereafter, the ballot container or containers shall not be removed from the polling place or presence of the bystanders until all the ballots are counted, nor opened until after the polls are finally closed. (§ 14215.)

2. Regulations at Polls.

Only Voters and Authorized Persons Permitted Within Barricade

Only voters engaged in receiving, preparing, or depositing their ballots and persons authorized by the precinct board to keep order and enforce the law may be permitted to be within the voting booth area before the closing of the polls. (§ 14221.)

Persons Permitted To Sit at Desk

Only members of the precinct board, and persons while signing their names on the roster, shall be permitted, during the hours within which voting is in progress, to sit at the desk or table used by the precinct board. (§ 14223.)

Officers Must Be Present at Polls

At any election, a majority of the members of any precinct board shall be present at the polling place at all times while the polling place is open. (§§ 10243, 14220.)

Lawful Communication

Any member of the precinct board, when using a language other than English at the polls, shall communicate with voters in that language only as he or she would be lawfully permitted to communicate in English under the code. The member shall be subject to like penalty for any illegal communication as if it had occurred in English. (§ 14227.)

Officer Ceasing To Act, Another To Be Appointed

The inspector may appoint a voter to replace any precinct board member who ceases to act or becomes incapacitated during the progress of an election. (§ 12314.)

If the inspector ceases to act, a majority of the remaining members of the precinct board may appoint a substitute. (§ 12315.)

3. Voting

When Voting May Commence

Voting shall commence as soon as the polls are opened and shall be continued during the time the polls remain open. (§ 14214.)

Who May Vote

Every United States citizen at least 18 years of age at the time of the election and resident in this State who complies with this Code governing the registration of electors may vote at any election held within the territory within which he or she resides and the election is held. (Cal. Const. Sec. 2, Art. II; § 2000.)

At Local, Special or Consolidated Elections

Every person is entitled to vote at a local, special, or consolidated election who is registered in any one of the precincts which compose the local, special, or consolidated election precincts. (§ 10000.)

Voter Placed in Wrong Precinct

If a voter is erroneously assigned to a precinct, the voter may apply to the elections official for a certificate showing the record of registration. The elections official shall give the voter the certificate on or before Election Day. Upon presentation of this certificate to the precinct board of the proper precinct, the board shall permit the voter to vote. If the voter does not obtain the certificate provided for in this section, and votes in the precinct into which the voter has been erroneously assigned by the elections official, and the election is contested, the voter's vote shall not be rejected for those candidates and on those measures with respect to which the voter would have been entitled to vote had the voter voted in the proper precinct, and no inquiry shall be made as to how the voter voted for those candidates or on those measures. (§ 2118.5(a).)

No voter who receives a certificate of registration under this section shall be charged a fee by the elections official. (§ 2118.5(b).)

A person duly registered as a voter in any precinct in California who removes therefrom within 14 days

prior to an election shall, for the purpose of that election, be entitled to vote in the precinct from which the person so removed until the close of the polls on the date of that election. (§ 2035.)

Voter Who Has Moved and Not Re-Registered

A voter who has moved from one address to another within the same county and who has not reregistered to vote at that new address may, at his or her option, vote on the day of the election at the polling place at which he or she is entitled to vote based on his or her current residence address, or at the office of the county elections official or other central location designated by that elections official. The voter shall be reregistered at the place of voting for future elections. (§ 14311(a).)

Voters casting ballots under this section shall be required to vote by provisional ballot, as provided in Section 14310. (§ 14311(b).)

Name and Address of Voter

Any person desiring to vote shall announce his or her name and address in an audible tone of voice, and when one of the precinct election officers finds the name in the index, the officer shall in a like manner repeat the name and address. The voter shall then write his or her name and residence address or, if the voter is unable to write, shall have the name and residence address written by another person on a roster of voters provided for that purpose, whereupon a challenge may be interposed as provided in this article. (§ 14216.)

Change of Surname

If the surname of any person offering to vote has been changed since the person has registered, the person shall sign his or her name as it was before the change and also the appropriate name as it is at the time the person votes, indicating on the roster on the same line by brackets or other means that the two names are the name of one person. (§ 14218.)

4. Voter's Name Not On Index.

Inability to Find Voter's Name on Index

If the precinct board is unable to find a voter's name upon the index of registration, it shall inform the voter that he or she may cast a provisional ballot and the procedure for doing so. If the voter elects to cast a provisional ballot, the precinct board shall furnish the voter with a provisional ballot, in accordance with Section 14310. (§ 14217.)

Voting a Provisional Ballot

At all elections, a voter claiming to be properly registered but whose qualification or entitlement to vote cannot be immediately established upon examination of the index of registration for the precinct or upon examination of the records on file with the county elections official, shall be entitled to vote a provisional ballot as follows: (1) An election official shall advise the voter of the voter's right to cast a provisional ballot. (2) The voter shall be provided a provisional ballot, written instructions regarding the process and procedures for casting the provisional ballot, and a written affirmation regarding the voter's registration and eligibility to vote. (3) The voter shall be required to execute, in the presence of an elections official, the written affirmation stating that the voter is eligible to vote and registered in the county where the voter desires to vote. (§ 14310(a).)

Once voted, the voter's ballot shall be sealed in a provisional ballot envelope, and the ballot in its envelope shall be deposited in the ballot box. All provisional ballots voted shall remain sealed in their envelopes for return to the elections official in accordance with the elections official's instructions. The provisional ballot envelopes

specified in this subdivision shall be a color different than the color of, but printed substantially similar to, the envelopes used for absentee ballots, and shall be completed in the same manner as absentee envelopes. (§ 14310(b).)

During the official canvass, the elections official shall examine the records with respect to all provisional ballots cast. Using the procedures that apply to the comparison of signatures on absentee ballots, the elections official shall compare the signature on each provisional ballot envelope with the signature on the voter's affidavit of registration. If the signatures do not compare, the ballot shall be rejected. A variation of the signature caused by the substitution of initials for the first or middle name, or both, shall not invalidate the ballot. (§ 14310(c)(1).)

Provisional ballots shall not be included in any semiofficial or official canvass, except upon: (A) the elections official's establishing prior to the completion of the official canvass, from the records in his or her office, the claimant's right to vote; or (B) the order of a superior court in the county of the voter's residence. A voter may seek the court order specified in this paragraph regarding his or her own ballot at any time prior to completion of the official canvass. Any judicial action or appeal shall have priority over all other civil matters. (§ 14310(c)(2).)

The provisional ballot of a voter who is otherwise entitled to vote shall not be rejected because the voter did not cast his or her ballot in the precinct to which he or she was assigned by the elections official. If the ballot cast by the voter contains the same candidates and measures on which the voter would have been entitled to vote in his or her assigned precinct, the elections official shall count the votes for the entire ballot. If the ballot cast by the voter contains candidates or measures on which the voter would not have been entitled to vote in his or assigned precinct, the elections official shall count only the votes for the candidates and measures on which the voter was entitled to vote in his or her assigned precinct. (§ 14310(c)(3).)

This section shall apply to any absent voter described by Section 3015 who is unable to surrender his or her unvoted absent voter's ballot. (§ 14310(f).)

Any existing supply of envelopes marked "special challenged ballot" may be used until the supply is exhausted. (§ 14310(g).)

Voter Claims Erroneous Cancellation of Affidavit of Registration

Any voter whose name has been placed on the inactive file of registered voters and offers to vote at any election between the date of the verification notice, and two federal general elections after the date of the notice, or who notifies the elections official of a continued residency, shall be removed from the inactive file and placed on the active voter file. (§ 2226(c).)

5. Challenge.

Conditions for Challenge

A person offering to vote may be orally challenged within the polling place only by a member of the precinct board upon any or all of the following grounds: (1) the voter is not the person whose name appears on the index; (2) the voter is not a resident of the precinct; (3) the voter is not a citizen of the United States; (4) the voter has voted that day; or (5) the voter is presently on parole for the conviction of a felony. (§ 14240(a).)

Challenge Procedure

On the day of the election, no person other than a member of a precinct board or other official responsible for the conduct of the election shall challenge or question any voter concerning the voter's qualifications to vote. (§ 14240(b).)

If any member of a precinct board receives, by mail or otherwise, any document or list concerning the residence or other voting qualifications of any person or persons, with the express or implied suggestion, request, or demand that the person or persons be challenged, the board member shall first determine whether the document or list contains or is accompanied by evidence constituting probable cause to justify or substantiate a challenge. In any case, before making any use whatever of such a list or document, the member of the precinct board shall immediately contact the elections official charged with the duty of conducting the election, and describe the contents of the document or list and the evidence, if any, received bearing on voting qualifications. The elections official shall advise the members of the precinct board as to the sufficiency of probable cause for instituting and substantiating the challenge and as to the law as herein provided, relating to hearings and procedures for challenges by members of the precinct board and determination thereof by a precinct board. The elections official may, if necessary, designate a deputy to receive and to answer inquiries from precinct board members as herein provided. (§ 14240(c).)

Challenge; Residency; Evidence

A piece of mailed matter returned undelivered by the post office shall not be accepted or used as evidence upon which to initiate a challenge as to residency by any member of the precinct board unless other evidence or testimony is also presented, nor shall the mailed matter, standing alone without other evidence or testimony, be accepted as evidence by the precinct board in determining a challenge. (§ 14241.)

Challenge on Ground of Nonresidence in Precinct

The ground for challenge set forth above in section (b) shall not apply to any person duly registered as a voter in any precinct in California and moving from that precinct within 14 days prior to an election. (§ 14242.)

Challenge; Impersonation

If the challenge is on the ground that the person seeking to vote is not the person whose name appears on the index, a member of the precinct board shall tender the following oath: "You do swear (or affirm) that you are the person whose name is entered on the index." (§ 14243.)

If the challenge is on the ground that the person seeking to vote is not a resident of the precinct, the person challenged shall be sworn to answer questions, and after having been sworn, a member of the precinct board shall ask that person: "Are you a resident of this precinct?" If the answer to the question is "Yes", without significant qualification, no other questions shall be asked. (§ 14244.)

Challenge; Voting Second Time

If the challenge is on the ground that the person challenged has already cast a ballot for this election, a member of the precinct board shall tender to the person challenged this oath: "You do swear (or affirm) that you have not previously voted in this election, either by absentee ballot or at a polling place." (§ 14245.)

Challenge; Determination

If the challenge is on the ground that the person challenged is not the person whose name appears on the index, or that he or she has voted that day, the challenge shall be determined in favor of the person challenged if that person takes the oath as set forth either in Section 14243 or Section 14245. (§ 14246.)

Challenges of voters that they are not residents of the precinct or citizens of the United States shall be tried and determined by the precinct board at the time of the challenge. The precinct board may, at its discretion, also request any other person present in the polling place to be sworn and answer questions whom the board believes may have knowledge or information concerning the facts of the challenge. (§ 14247.)

Challenge; Doubt

Any doubt in the interpretation of the law shall be resolved in favor of the challenged voter. (§ 14251.)

Determination of Residence

The precinct board in determining the place of residence of any person shall be governed by the rules set forth in Article 2 of Chapter 1 (commencing with Section 2020) of Division 2. (§ 14250.)

Determination of Residence and Domicile

“Residence” for voting purposes means a person’s domicile. The domicile of a person is that place in which his or her habitation is fixed, wherein the person has the intention of remaining and to which, whenever he or she is absent, the person has the intention of returning. At a given time, a person may have only one domicile. The residence of a person is that place in which the person's habitation is fixed for some period of time, but wherein he or she does not have the intention of remaining. At a given time, a person may have more than one residence. (§ 349.)

The term of domicile is computed by including the day on which the person's domicile commenced and by excluding the day of the election. (§ 2020.)

A person who leaves his or her home to go into another state or precinct in this state for temporary purposes merely, with the intention of returning, does not lose his or her domicile. A person does not gain a domicile in any precinct into which he or she comes for temporary purposes merely, without the intention of making that precinct his or her home. (§ 2021.)

If a person moves to another state with the intention of making it his or her domicile, the voter loses his or her domicile in this state. (§ 2022.)

If a person moves to another state as a place of permanent residence, with the intention of remaining there for an indefinite time, he or she loses his or her domicile in this state, notwithstanding that he or she intends to return at some future time. (§ 2023.)

The mere intention to acquire a new domicile, without the fact of removal avails nothing, neither does the fact of removal without the intention. (§ 2024.)

A person does not gain or lose a domicile solely by reason of his or her presence or absence from a place while employed in the service of the United States or of this state, nor while engaged in navigation nor while a student of any institution of learning, nor while kept in an almshouse, asylum or prison. This section shall not be construed to prevent a student at an institution of learning from qualifying as an elector in the locality where he or she domiciles while attending that institution, when in fact the student has abandoned his or her former domicile. (§ 2025.)

The place where a person's family is domiciled is his or her domicile unless it is a place for temporary establishment for his or her family or for transient objects. Residence in a trailer or vehicle or at any public camp or camping ground may constitute a domicile for voting purposes if the registrant complies with the other requirements of this article. (§ 2027.)

If a person has a family fixed in one place, and he or she does business in another, the former is his or her place of domicile, but any person having a family, who has taken up an abode with the intention of remaining and whose family does not so reside with him or her, is a domiciliary where he or she has so taken up the abode. (§ 2028.)

The domicile of one spouse shall not be presumed to be that of the other, but shall be determined

independently in accordance with this article. (§ 2029.)

A domiciliary of this state who marries a person employed temporarily in this state in the service of the United States government, may elect to retain his or her domicile for the purpose of qualifying as an elector only, except that his or her domicile in this state shall terminate if such domiciliary qualifies as an elector in any other state or any territory. (§ 2030.)

If a person has more than one residence and such person maintains a homeowner's property tax exemption on the dwelling of one of the residences pursuant to Section 218 of the Revenue and Taxation Code, there shall be a rebuttable presumption that the residence subject to the homeowner's property tax exemption is that person's domicile. However, this presumption shall not apply in the event any other residence is listed as the person's current residence address on any driver's license, identification card, or vehicle registration issued to that person by, and on file with, the Department of Motor Vehicles. If a person has more than one residence and that person claims a renter's tax credit for one of the residences pursuant to Section 17053.5 of the Revenue and Taxation Code, there shall be a rebuttable presumption that the residence subject to the renter's tax credit is that person's domicile. However, this presumption shall not apply in the event any other residence is listed as the person's current residence address on any driver's license, identification card, or vehicle registration issued to such person by, and on file with, the Department of Motor Vehicles. This section shall not be applicable to state or federal elected officials. (§ 2031.)

Except as provided in this article, if a person has more than one residence and such person has not physically resided at any one of the residences within the immediate preceding year, there shall be a rebuttable presumption that those residences in which he or she has not so resided within the immediate preceding year, are merely residences as defined in Section 349(c) and not his or her domicile. (§ 2032.)

"Rebuttable presumption" shall be deemed a presumption which affects the burden of producing evidence. (§ 346.)

Whenever the house number or the mailing address of a voter has been changed and the voter's domicile is the same, the public agency authorizing the change shall notify the county elections official in writing of the change and the county elections official shall make the change on the voter's affidavit of registration and a new affidavit shall not be required. (§ 2033.)

A person domiciled in a house or apartment lying in more than one precinct shall be registered as domiciled in the precinct designated by the county elections official on the basis of the street address or other precinct the county elections official considers appropriate unless the person requests, either by letter or in person at the office of the county elections official, that he or she wishes to be domiciled for registration purposes in another precinct in which his or her house or apartment lies. In order to fulfill the requirements of this section, the letter of request shall include the name, signature, and residence address of the requester. (§ 2034.)

A person duly registered as a voter in any precinct in California who removes therefrom within 14 days prior to an election shall, for the purpose of that election, be entitled to vote in the precinct from which the person so removed until the close of the polls on the date of that election. (§ 2035.)

Certification of Registration

A certified copy of an uncanceled affidavit of registration is prima facie evidence that the person named in the entry is a voter of the county. (§ 2167.)

Challenge; Prior to Oath

Before administering an oath to a person regarding his or her place of residence, a member of the precinct board shall read to the person challenged, the rules prescribed by Section 14249 and Article 2 (commencing with Section 2020) of Chapter 1 of Division 2. (§ 14248.)

Challenge; Refusal to Take Oath

If any person challenged refuses to take the oaths tendered, or refuses to be sworn and to answer the questions concerning the matter of residence, that person shall not be allowed to vote. (§ 14249.)

List of Challenges To Be Kept by Precinct Board

The precinct board shall compile a list showing all of the following:

- (a) The name and address of each person challenged.
- (b) The name, address, and any other identification as a voter, of each person offering information concerning any person's qualifications to vote, or testifying pursuant to Section 14247, together with the name and address and any other identification of the person about whom the information or testimony is given.
- (c) The grounds of each challenge.
- (d) The determination of the board upon the challenge, together with any written evidence pertaining thereto.
- (e) If evidence has been presented to the board requesting challenges, the evidence shall be returned to the elections official responsible for the conduct of the election. (§ 14252.)

Challenge; Discontinuation

In the event the precinct board determines that persistent challenging of voters is resulting in a delay of voting sufficient to cause voters to forego voting because of insufficient time or for fear of unwarranted intimidation, the board shall discontinue all challenges, and so note on the roster. (§ 14253.)

If Challenge Overruled, Voter To Be Given Ballot

If the challenge is overruled, the election officer shall give the voter a ballot and the voter shall be allowed to vote.

6. Receiving and Marking Ballots.

One Ballot to Each Voter

The precinct board shall give each voter only one ballot, as provided in Section 13102. (§ 14278.)

Procedure if Insufficient Ballots at Precinct

If a precinct board is unable to furnish a ballot to a qualified voter because there is an insufficient number of ballots at the precinct, the elections official shall deliver to the precinct additional ballots to ensure that all eligible voters can cast their ballots by 10 p.m. on Election Day. (§ 14299.)

Provide Facsimile Ballot to Voter

The precinct board shall provide upon request to any voter for use in the voting booth or compartment, a copy of the facsimile ballot containing ballot measures and instructions printed in Spanish or in other languages, as required by Section 14201 unless sample ballots and ballots for voting are already being provided in that language under the federal Voting Rights Act of 1965 as amended by Public Law 94-73. (§ 14219.)

At Primary Elections, Voter To Receive Official Primary Ballot

All voting shall be by ballot. There shall be provided, at each polling place, at each election at which public officers are to be voted for, but one form of ballot for all candidates for public office, except that, for partisan primary elections, one form of ballot shall be provided for each qualified political party as well as one form of nonpartisan ballot, in accordance with subdivision (b), below. (§ 13102(a).)

At partisan primary elections, each voter not registered as intending to affiliate with any one of the political parties participating in the election shall be furnished only a nonpartisan ballot, unless he or she requests a ballot of a political party and that political party, by party rule duly noticed to the Secretary of State, authorizes a person who has declined to state a party affiliation to vote the ballot of that political party. The nonpartisan ballot shall contain only the names of all candidates for nonpartisan offices and measures to be voted for at the primary election. Each voter registered as intending to affiliate with a political party participating in the election shall be furnished only a ballot of the political party with which he or she is registered and the nonpartisan ballot, both of which shall be printed together as one ballot in the form prescribed by Section 13207. (§ 13102(b).)

A political party may adopt a party rule in accordance with subdivision (b) that authorizes a person who has declined to state a party affiliation to vote the ballot of that political party at the next ensuing partisan primary election. The political party shall notify the party chair immediately upon adoption of that party rule. The party chair shall provide written notice of the adoption of that rule to the Secretary of State not later than the 135th day prior to the partisan primary election at which the vote is authorized. (§ 13102(c).)

The county elections official shall maintain a record of which political party's ballot was requested pursuant to subdivision (b), or whether a nonpartisan ballot was requested, by each person who declined to state a party affiliation. The record shall be made available to any person or committee who is authorized to receive copies of the printed indexes of registration for primary and general elections pursuant to Section 2184. (§ 13102(d).)

Voter To Receive Ballot Only in Proper Precinct

Unless otherwise provided by law, no person shall apply for or receive any ballot at any precinct other than that in which the voter is entitled to vote. (§ 14279.)

Voter To Receive Ballot Only from Precinct Officer

Unless otherwise provided by law a voter shall not receive a ballot from any person other than one of the precinct officers. No person other than a precinct officer or officer authorized by law shall deliver a ballot to any voter. (§ 14280.)

Voter To Be Instructed on Marking Ballot

All ballots, except absent voter ballots, shall be marked only with the marking device provided by law. (§ 14284(a).)

To prevent voters from marking their ballots with a pen or pencil, at the time of delivering a ballot to a voter, the precinct officer shall distinctly state that the voter shall mark the ballot with the device provided by law or the ballot will not be counted. (§ 14284(b).)

Voting Booth Occupancy

On receiving a ballot, the voter shall forthwith retire alone to one of the booths or compartments provided, and mark the ballot, unless Section 14222 or 14224 is applicable. (§ 14281.)

Nothing contained in this code shall prevent a voter from being accompanied by a child or children under

the age of 18 years while the voter is within the voting booth area if the child is, or children are, under the voter's care. (§ 14222.)

Voting booths or compartments shall not be occupied by more than one person at a time, unless the voter is eligible under the assisted voter provisions. Voters shall not remain in or occupy the booth longer than is necessary to mark their ballots, which shall not exceed 10 minutes. However, where no other voter would be inconvenienced a longer period shall be allowed. (§ 14224.)

Voters Assisted: When and How

When a voter declares under oath, administered by any member of the precinct board at the time the voter appears at the polling place to vote, that the voter is then unable to mark a ballot, the voter shall receive the assistance of not more than two persons selected by the voter, other than the voter's employer, an agent of the voter's employer, or an officer or agent of the union of which the voter is a member. (§ 14282(a).)

No person assisting a voter shall divulge any information regarding the marking of the ballot. (§ 14282(b).)

In those polling places that are inaccessible under the guidelines promulgated by the Secretary of State for accessibility by the physically handicapped, a physically handicapped person may appear outside of the polling place and vote a regular ballot. The person may vote the ballot in a place that is as near as possible to the polling place and that is accessible to the physically handicapped. A precinct board member shall take a regular ballot to that person, qualify that person to vote, and return the voted ballot to the polling place. In those precincts in which it is impractical to vote a regular ballot outside the polling place, absentee ballots shall be provided in sufficient numbers to accommodate physically handicapped persons who present themselves on Election Day. The absentee ballot shall be presented to and voted by a physically handicapped person in the same manner as a regular ballot may be voted by that person outside the polling place. (§ 14282.)

Assisted Voters List

The precinct officers shall keep a list of the voters who have been assisted in marking their ballots. The list of assisted voters shall be returned to the elections official and preserved with other election materials and records. (§ 14283.)

How To Mark Ballot

All ballots, except absent voter ballots, shall be marked only with the marking devices provided by law. To prevent voters from marking their ballots with a pen or pencil, at the time of delivering a ballot to a voter, the precinct officer shall distinctly state that the voter shall mark the ballot with the device provided by law or the ballot will not be counted. (§ 14284.)

When Two or More Are To Be Elected to Same Office

Where two or more candidates for the same office are to be elected, and the voter desires to vote for candidates for that office, the voter shall, by using the provided marking device, place a mark in the voting square, rectangle, or other specific voting space following the names of the candidates for that office for whom the voter intends to vote, not exceeding, however, the number of candidates to be elected. (§ 14285.)

Measures To Be Voted On

When a measure is submitted to the voters, the voter shall place a mark on the ballot in the appropriate space opposite the answer the voter desires to give as to that measure. The voter, in marking the ballot, shall use the marking device provided. (§ 14286.)

Recall Election

When the election is a recall election of a state, county, municipal, judicial, or district officer, the voter may vote on the question of recall by placing a mark after the word "Yes" or after the word "No". He or she may also vote for a candidate whose name is printed on the ballot by placing a mark after such name. (§§ 11322, 11323.)

No Identifying Marks on Ballot

No voter shall place any mark upon a ballot that will make that ballot identifiable. (§ 14287.)

Voter Shall Not Reveal Contents of Ballot

After the ballot is marked, a voter shall not show it to any person in such a way as to reveal its contents. (§ 14291.)

Spoiled Ballots

If a voter spoils or defaces a ballot, the voter shall at once return it to the ballot clerk and receive another ballot. A voter shall not receive more than a total of three ballots, including the original ballot, in this manner. (§ 14288.)

Cancellation of Spoiled Ballots

The precinct board shall immediately cancel, without unfolding them, all the spoiled ballots returned. The board shall write the word "spoiled" on the back of each spoiled ballot in ink or indelible pencil and return the spoiled ballots with the unused ballots. (§ 14290.)

Cancelled Ballots

Any voter who does not vote the ballot he or she has received, shall, before leaving the polling place, return it to the board member having charge of the ballots, who shall immediately cancel it. All canceled ballots shall be returned to the ballot clerk in the same manner as spoiled ballots. (§ 14296.)

Folding Ballot

Before leaving the voting booth or compartment, the voter shall fold the ballot according to the instructions on it, so that the marks on its face are not visible and only the number on the ballot and the top margin are exposed. (§ 14292.)

Depositing in Ballot Box

Having folded the ballot, the voter shall deliver it folded to a member of the precinct board, who shall then separate the slip containing the number from the ballot, hand the slip to the voter, and deposit the ballot in the ballot box in the presence of the voter. (§ 14293.)

Notation of Vote

No later than the time at which the voter delivers the voted ballot, a precinct board member in charge of the index shall write in the space opposite the name of the voter the line number designating the position of the name on the roster. In those counties using the combined index roster, the voter's name shall be crossed off of the index in lieu of numbering. (§ 14297.)

Delivery of Ballot

No voter shall deliver to any member of the precinct board any ballot other than the one received from the board member. (§ 14295.)

Number Slip Removal

Members of the precinct board shall not deposit in the ballot container any ballot from which the slip containing the number of the ballot has not been removed by a member of the precinct board and handed to the voter. This section does not apply to voting by absent voter ballot. (§ 14225.)

Notice of Persons Voted

At all elections, a member of the precinct board shall mark, on one of the copies of the index posted at or near the polling place, the name of each person who has voted, by drawing a line through the name of the voter, with a pen or indelible pencil. The board member shall mark off the names at least once each hour, to and including 6 p.m. In all counties not using the index roster, the board member shall draw a line under the last name signed in the roster at 6 p.m. or at the time of discontinuation of this procedure, whichever occurs last. (§ 14294.)

Maintenance of Index

The precinct board shall maintain the copies of the index posted during the whole time of voting. These copies shall not be marked in any manner except by a member of the precinct board acting pursuant to Section 14294. (§ 14298(a).)

A member of the precinct board shall post a notice on each index which reads as follows: "This index shall not be marked in any manner except by a member of the precinct board acting pursuant to Section 14294. Any person who removes, tears, marks, or otherwise defaces this index with the intent to falsify or prevent others from readily ascertaining the name, address, or political affiliation of any voter, or the fact that a voter has or has not voted, is guilty of a misdemeanor." (§ 14298(b).)

7. Absentee Voting

Absent Voter Definitions

"Absent voter" means any voter casting a ballot in any way other than at the polling place. (§ 300(a).)

"Special absentee voter" means an elector who is any of the following:

- (1) A member of the armed forces of the United States or any auxiliary branch thereof.
- (2) A citizen of the United States temporarily living outside of the territorial limits of the United States or the District of Columbia.
- (3) Serving on a merchant vessel documented under the laws of the United States.
- (4) A spouse or dependent of a member of the armed forces or any auxiliary branch thereof. (§ 300(b).)

Any voter may apply for permanent absent voter status. Application for permanent absent voter status shall be made in accordance with Section 3001, 3100, or 3304. The voter shall complete an application, which shall be available from the county elections official, and which shall contain all of the following:

- (a) The applicant's name at length.

- (b) The applicant's residence address.
- (c) The address where ballot is to be mailed, if different from the place of residence.
- (d) The signature of the applicant. (§ 3201.)

Facsimile Transmission of Ballot

A special absentee voter who is temporarily living outside of the territorial limits of the United States or the District of Columbia may return his or her ballot by facsimile transmission. To be counted, the ballot returned by fax must be received by the voter's elections official no later than the closing of the polls on Election Day and must be accompanied by an identification envelope containing all of the information required by Section 3011 and the oath of voter declaration as set forth in Section 3103.5. (§ 3103.5.)

Surrender of Absent Voter Ballot

Absent voters who return to their home precincts on election day may vote only if they surrender their absent voter ballots to the inspector of the precinct board. The precinct board shall return the unused absent voter's ballots to the elections official in an envelope designated for this purpose. (§ 3015.)

Provisional Ballot When Unable To Surrender Absent Voter Ballot

Any absent voter who is unable to surrender his or her absent voter's ballot within the meaning of Section 3015 shall be issued a provisional ballot, in accordance with Section 14310. (§ 3016.)

Return of Voted Ballot

All absentee ballots cast under this division shall be voted on or before the day of the election. After marking the ballot, the absent voter shall either: (1) return the ballot by mail or in person to the elections official from whom it came or (2) return the ballot in person to any member of a precinct board at any polling place within the jurisdiction. However, an absent voter who, because of illness or other physical disability, is unable to return the ballot, may designate his or her spouse, child, parent, grandparent, grandchild, brother, sister, or a person residing in the same household as the absent voter to return the ballot to the elections official from whom it came or to the precinct board at any polling place within the jurisdiction. The ballot must, however, be received by either the elections official from whom it came or the precinct board before the close of the polls on election day. (§ 3017(a).)

The elections official shall establish procedures to insure the secrecy of any ballot returned to a precinct polling place. (§ 3017(b).)

The provisions of this section are mandatory, not directory, and no ballot shall be counted if it is not delivered in compliance with this section. (§ 3017(c).)

Notwithstanding subdivision (a), no absent voter's ballot shall be returned by any paid or volunteer worker of any general purpose committee, controlled committee, independent expenditure committee, political party, candidate's campaign committee, or any other group or organization at whose behest the individual designated to return the ballot is performing a service. However, this subdivision shall not apply to a candidate or a candidate's spouse. (§ 3017(d).)

Receiving of Absentee Ballots

All absentee ballots cast under this division shall be received by the elections official from whom they were obtained or by the precinct board no later than the close of the polls on election day. (§ 3020.)

Absentee Ballots After the Period for Requesting by Mail

After the close of the period for requesting absent voter ballots by mail, any voter unable to go to the polls because of illness or disability resulting in his or her confinement in a hospital, sanatorium, nursing home, or place of residence, or any voter unable because of a physical handicap to go to his or her polling place or because of that handicap is unable to vote at his or her polling place due to existing architectural barriers at his or her polling place denying his or her physical access to the polling place, voting booth, or voting apparatus or machinery, or any voter unable to go to his or her polling place because of conditions resulting in his or her absence from the precinct on election day may request in a written statement, signed under penalty of perjury that a ballot be delivered to him or her. This written statement shall not be required if the absent voter ballot is voted in the office of the elections official as defined by Section 3018(b), at the time of the request. This ballot shall be delivered by the elections official to any authorized representative of the voter who presents this written statement to the elections official.

Before delivering the ballot the elections official may compare the signature on the request with the signature on the voter's affidavit of registration, but in any event, the signature shall be compared before the absent voter ballot is canvassed.

The voter shall mark the ballot, place it in the identification envelope, fill out and sign the envelope and return the ballot, personally or through the authorized representative, to either the elections official or any polling place within the jurisdiction.

These ballots shall be processed and counted in the same manner as other absentee ballots. (§ 3021.)

Special Absentee Voter May Register Upon Return to the County

If any special absentee voter is released from service after the closing date of registration for an election and has returned to the county of his or her residence and is not a registered voter, he or she may apply in person to the elections official for permission to register. If the elector furnishes documentary proof of release from service after the closing date of registration for the election, the elections official shall allow him or her to be registered and to vote in the election. On or before the day of election the elections official shall deliver to the precinct board a list of special absentee voters registered under the provisions of this section. (§ 3107.)

Special Absentee Voter Who Returns to the County

If any special absentee voter to whom an absent voter's ballot has been mailed and which ballot has not been voted by him or her returns to the county in which he or she is registered on or before election day, he or she may apply for a second absentee ballot pursuant to Section 3014. The elections official shall require him or her to sign an authorization to cancel the absent voter's ballot previously issued when it is returned to the county elections official. The elections official shall then issue another absent ballot to the voter, or the elections official shall certify to the precinct board that the voter is eligible to vote in the precinct polling place of his or her residence. (§ 3108.)

Registered Special Absentee Voters

If any special absentee voter returns to the county of his or her residence after the final day for making application for an absent voter ballot, he or she may appear before the elections official and make application for registration, absent voter ballot, or both. The elections official shall register the voter, if he or she is not registered, and deliver to him or her an absent voter ballot, which may be voted in the elections official's office or voted outside the elections official's office on or before the close of the polls on the day of election and returned as are other absent voter ballots. (§ 3109.)

8. Closing the Polls.

Time of Closing Polls

The polls shall be kept open until 8 p.m. of the day of any election, and when the polls are closed, the precinct board shall proclaim that fact aloud at the place of election. After the proclamation, no ballot shall be received. However, if at the hour of closing there are any other voters in the polling place, or in line at the door, who are qualified to vote and have not been able to do so since appearing, the polls shall be kept open a sufficient time to enable them to vote. (§§ 14212, 14401.)

Anyone who arrives at the polling place after the time provided for closing the polls shall not be entitled to vote, even though the polls are open when he or she arrives. (§ 14402.)

Time for Closing of Polls Extended by Court Order

If the time for closing the polls is extended pursuant to a court order, all votes cast during the time that the closing of the polls is extended shall be by provisional ballot. Any provisional ballots cast pursuant to this section shall be separated and held apart from other provisional ballots cast by voters prior to the time the closing of the polls was extended. (§ 14402.5.)

Municipal Elections in General Law Cities

The polls shall be open on the day of election between the hours that the governing body determines, but not less than eight consecutive hours. The hours of opening and closing the polls shall be specified in the notice of election, or shall otherwise be the same as provided for general elections. Before the precinct board receives any ballots, it shall cause it to be proclaimed aloud at the place of election that the polls are open. (§ 10242.)

Unused Ballots

Immediately upon the closing of the polls and before any voted ballot is taken from any of the ballot containers, the precinct board member shall, in the presence of all persons in the room who may desire to observe them, proceed to render the unused ballots unusable in one of the following ways:

- (a) By drawing across its face, in ink or indelible pencil, two lines that cross each other, the cross to be more than three inches square. The precinct board member shall thereupon, immediately and before any ballots are taken from any ballot container, place all defaced ballots within an envelope or other receptacle provided for that purpose.
- (b) By tearing or cutting in a manner so that it is apparent that the ballot has been intentionally destroyed to prevent its use. If this method of destruction is used, it shall be done in a manner so that the serial number of the ballots is retained for the purpose of reconciliation.
- (c) By placing all of the unused ballots into a special container provided for that purpose. A tamperproof seal containing spaces for entering the total number of unused ballots enclosed, the beginning and ending serial numbers thereof, and signature lines for all members of the precinct board following a statement certifying that all the ballots were placed in the container in their presence and the information on the seal is true and correct, shall be provided. After signing the seal, it shall be placed on the container in a manner so that the container cannot be opened without tearing the seal. (§ 14403.)

Immediately upon the arrival of the hour when the polls are required by law to be closed on election day, the elections official conducting the election shall openly, in the elections official's main office, in the presence of any persons who are present to observe, according to the procedure set forth in Section 14403, proceed to render every

unused ballot remaining in the control of the elections official unusable. The elections official shall forthwith make and file an affidavit, in writing, as to the number of ballots destroyed. If the procedure in Section 14403(c) is used, the tamperproof seal shall be signed by the elections official and at least one deputy or assistant elections official or registrar. The sealed container shall then be placed, with the sealed containers containing unused ballots from the precincts, in a security area by the elections official until disposition is made pursuant to Section 17301 or 17302.

Alternatively, the elections official may, immediately upon the arrival of the hour when the polls are closed, recycle for any other lawful purpose any unused ballots remaining in the control of the elections official that clearly identify the election for which they were prepared. No later than 30 days following the last day to certify the official results of the election, the elections official shall make and file an affidavit, in writing, as to the number of ballots recycled. At the elections official's discretion, the unused ballots may be recycled up to six months following an election or at the conclusion of an election contest proceeding, whichever is later. (§ 14404.)

Reconciliation of Ballots

The members of the precinct board shall account for the ballots delivered to them by returning a sufficient number of unused ballots to make up, when added to the number of official ballots cast and the number of spoiled and canceled ballots returned, the number of ballots given to them. The officers receiving returned ballots shall compel this accounting. (14405(a).)

The precinct board shall complete the roster as required in Section 14107, and shall also complete and sign the certificate of performance prescribed in Section 15280, if that section applies. (§ 14405(b).)

V. CANVASSING THE VOTE

SUMMARY

This chapter explains the procedures involved in counting the ballots after the polls close. Votes can be tabulated either in the precinct or at a pre-specified central location. (The information supplied in this chapter does not pertain to any precinct using electronic or electromechanical tabulation, punchcard device tabulation of ballots or voting machines.)

If the canvass is to take place in the precinct, as soon as the polls are finally closed, the precinct board shall commence to count the votes by taking the ballots cast, unopened, out of the box and counting them to ascertain whether the number of ballots corresponds with the number of signatures on the roster. The precinct board shall make a record upon the roster of the number of ballots in the ballot box, the number of signatures on the roster, and the difference, if any. (§ 15271.)

The count shall be public and shall be continued without adjournment until completed and the result is declared. (§ 15272.) If a ballot measure or office affects more than one county, no results will be made public until the polls close in all counties involved. (§ 15152.) At least four members of the precinct board will conduct the canvass. (§ 15102.) All ballots should be inspected for irregularities. Those ballots marked in any way other than provided by law will be rejected. (See page 32 for markings that do not render a ballot invalid.) Rejected ballots will be marked as such and placed in a package for that purpose. (§ 15154.)

Each precinct will keep two tally sheets. Sufficient space for tallying the votes cast for each candidate or ballot measure shall be provided. (§ 15277.) After the votes for the entire ballot are tallied, the ballots shall not be further examined, but placed in a strong, sealed envelope. The signature of all precinct board members shall be written across the seal. (§ 15279.)

Page 35 lists the materials to be returned to the county elections official. If the returns from any precinct are incomplete, ambiguous, not properly authenticated, or otherwise defective, the elections official may issue and serve subpoenas requiring members of the precinct board to appear and be examined under oath concerning the manner in which votes were counted and the result of the count in their precinct. This section shall apply when ballots are tabulated manually or automatically at the polls. (§ 15303.)

A snap tally may be called if, before any election, the governing body of the jurisdiction holding the election decides that certain offices or ballot measures to be voted on are of more than ordinary public interest and require an early tabulation and announcement. The decision shall be transmitted to the elections official not less than 30 days before the election. (§ 14440.)

Whenever the ballots at any election or from any precincts are to be tallied at a central place and not at the precincts, the elections official or secretary of the jurisdiction conducting the election shall specify the public place to be used and give notice of that location. (§ 12109.) The elections official or authorized deputy shall segregate the persons employed to count the ballots into counting boards. These counting boards shall be deemed to be precinct boards, and are subject to all laws governing precinct boards where ballots are counted at the polling place. (§ 15207.) The count shall be public and shall be continued without adjournment until completed and the result is declared. (§ 15272.)

If the ballots are to be counted at a central counting place, no fewer than two precinct board members shall, following the close of the polls, deliver the ballots, in a sealed container, to the central counting place or a designated receiving station. (§ 15202.)

This section of the digest does not apply to precincts using electronic or electromechanical tabulation, punchcard device tabulation of ballots or voting machines. (See Digest section entitled "Voting Systems.")

1. Vote Count in the Precinct

As soon as the polls are finally closed, the precinct board shall commence to count the votes by taking the ballots cast, unopened, out of the box and counting them to ascertain whether the number of ballots corresponds with the number of signatures on the roster. The precinct board shall make a record upon the roster of the number of ballots in the ballot box, the number of signatures on the roster, and the difference, if any. (§ 15271.)

Time to Begin Count

Neither the elections official, any member of a precinct board, nor any other person shall count any votes, either for a ballot proposition or candidate, until the close of the polls in that county. After that time, the ballots for all candidates and ballot propositions voted upon solely within the county shall be counted and the results of the balloting made public. However, the results for any candidate or ballot proposition also voted upon in another county or counties shall not be made public until after all the polls in that county and the other county or counties have closed. This paragraph applies regardless of whether the counting is done by manual tabulation or by a vote-tabulating device. (§ 15152.)

Canvass Must be Public

The count shall be public and shall be continued without adjournment until completed and the result is declared. During the reading and tallying, the ballot read and the tally sheet kept shall be within the clear view of watchers. (§ 15272.)

Board to Act as Group and Conduct Only One Count

Unless otherwise provided in this code, the precinct board members may not constitute themselves into separate squads in an attempt to conduct more than one count of the ballots at the same time. (§ 15273.)

Members May Relieve Each Other During Canvass of Vote

The members of the precinct board may relieve each other in the duties of counting ballots. (§ 15274.)

Procedures

Any ballot that is not marked as provided by law or that is marked or signed by the voter so that it can be identified by others shall be rejected. The rejected ballots shall be placed in the package marked for voted ballots or in a separate container as directed by the elections official. All rejected ballots shall have written thereon the cause for rejection and be signed by the majority of processing board members who are assigned by the elections official to process ballots. (§ 15154(a).)

The following ballot conditions shall not render a ballot invalid: (1) Soiled or defaced. (2) Two or more impressions of the voting stamp or mark in one voting square. (§ 15154(b).)

If the voter indicates, either by a combination of both marking and writing in, a choice of more names than there are candidates to be elected or nominated for any office, or if for any reason the choice of the voter is impossible to determine, the vote for that office shall not be counted, but the remainder of the ballot, if properly marked, shall be counted. (§ 15154(c).)

Those ballots not rejected shall be placed in one pile, and the board shall proceed to count by tallying the vote for one or more offices or measures at a time. (§ 15275.)

The precinct board members shall ascertain the number of votes cast for each person and for and against each measure in the following manner: One precinct board member shall read from the ballots. As the ballots are read, at least one other precinct board member shall keep watch of each vote so as to check on any possible error or

omission on the part of the officer reading or calling the ballot. (§ 15276.)

Write-In Candidates

Any name written upon a ballot for a qualified write-in candidate, including a reasonable facsimile of the spelling of a name, shall be counted for the office, if it is written in the blank space provided and voted as specified below:

- (a) For voting systems in which write-in spaces appear directly below the list of candidates for that office and provide a voting space, no write-in vote shall be counted unless the voting space next to the write-in space is marked or slotted as directed in the voting instructions.
- (b) For voting systems in which write-in spaces appear separately from the list of candidates for that office and do not provide a voting space, the name of the write-in candidate, if otherwise qualified, shall be counted if it is written in the manner described in the voting instructions.
- (c) The use of pressure-sensitive stickers, glued stamps, or any other device not provided for in the voting procedures for the voting systems approved by the Secretary of State to indicate the name of the write-in candidate are not valid, and a name indicated by these methods shall not be counted.
- (d) Neither a vote cast for a candidate whose name appears on the ballot nor a vote cast for a write-in candidate shall be counted if the voter has indicated, by a combination of marking and writing, a choice of more names than there are candidates to be nominated or elected to the office.
- (e) All valid write-in votes shall be tabulated and certified to the elections official on forms provided for this purpose, and the write-in votes shall be added to the results of the count of the ballots at the counting place and be included in the official returns for the precinct. (§ 15342.)

Notwithstanding any other provision of law, no name written upon a ballot in any election shall be counted for an office or nomination unless the candidate whose name has been written on the ballot has complied with Part 3 (commencing with Section 8600) of Division 8. (§ 15341.)

Tally Sheets

Two of the precinct board members shall each keep a tally sheet in a form prescribed by the elections official. Each tally sheet shall contain all of the following:

- (1) The name of each candidate being voted for and the specific office for which each candidate is being voted. The offices shall be in the same order as on the ballot.
- (2) A list of each measure being voted upon.
- (3) Sufficient space to permit the tallying of the full vote cast for each candidate and for and against each measure. (§ 15277(a).)

The precinct board members keeping the tally sheets shall record opposite each name or measure, with pen or indelible pencil, the number of votes by tallies as the name of each candidate or measure voted upon is read aloud from the respective ballot. (15277(b).)

Immediately upon the completion of the tallies, the precinct board members keeping the tally shall draw two heavy lines in ink or indelible pencil from the last tally mark to the end of the line in which the tallies terminate and initial that line. The total number of votes counted for each candidate and for and against each measure shall be recorded on the tally sheets in words and figures. (§ 15277(c).)

Compare Absent Voters List

On completion of the canvass of the returns for each election, the elections official shall compare the absent voters list with the roster of voters in each precinct to determine if any voter cast more than one ballot at that election. (§ 15278.)

Tally of Votes Only as Prescribed by Law

No precinct board member may make any tally of votes in any other manner than is provided in this article, nor in any other place than on the tally sheets provided for that purpose. (§ 15278.5.)

Ballots to Be Sealed; Not to Be Examined Thereafter

The ballots, as soon as all of the names and measures marked on them as voted for are read and tallied, shall not thereafter be examined by any person, but as soon as all are counted, shall be carefully sealed in a strong envelope. The signatures of each member of the precinct board shall be written across the seal. (§ 15279.)

Completion of Forms by Precinct Board

The precinct board shall complete, sign, and return to the elections official all furnished forms requiring its signatures. When votes are counted at the precinct, all members of the precinct board, upon the completion of their duties, shall sign a certificate of performance, which shall be substantially in the following form (§ 15280):

Certificate of Performance

For _____ precinct, for the _____ election, held on the _____ day of _____, (year).

We hereby certify that the total number of votes received by each candidate for each office and the total number of votes cast for and against each measure is as indicated on the tally sheets.

We further certify that the results of votes cast forms posted outside the polling place and transmitted to the county elections official show the total number of votes received by each candidate for each office and the total number of votes cast for and against each measure is as indicated.

Sign and Post Copy of Result

The precinct board shall sign and post conspicuously on the outside of the polling place a copy of the result of the votes cast. The copy shall remain posted for at least 48 hours after the official time fixed for the closing of the polls. (§ 15281.)

Elections in General Law Cities; Procedure at Close of Polls

The votes shall be counted, the result of the votes cast shall be posted, the supplies and records of the election shall be returned to the city elections official and shall be disposed of by him or her in accordance with the provisions of this code governing elections generally, so far as they may be applicable. (§ 10260.)

2. Return of Supplies and Records.

Supplies and Election Returns to Be Delivered to County Elections Official

The precinct board, as soon after the polls are closed as possible, shall prepare the supplies, including the copies of the index posted at or near the polling place, and records of the election for delivery to the elections official. (§ 14430.)

The precinct board shall enclose and seal in one or more packages, as determined by the elections official, all of the following: voted, spoiled, canceled, or unused ballots. (§ 14431.)

VI. VOTING SYSTEMS

SUMMARY

Chapter VI describes the various voting systems used in precincts throughout California. Also included are procedures to be followed both in conducting the vote and in conducting the canvass when using one of these systems. (See page 39 for definitions.)

All precinct board members must attend a training class on the use of voting machines and other precinct responsibilities unless appointed to fill an emergency vacancy. (§ 19340.)

All voting equipment shall be transferred to the polling places in charge of an authorized official, who shall certify to their delivery in good order. (§ 14112.) Ballots and all other election supplies appropriate to the system will also be provided. (§ 14113.)

Prior to entering a voting booth, a precinct board member shall instruct the voter on the proper use of the voting system. The voter shall be told how to mark the ballot and how to fold the ballot after completing the vote (an envelope may be used). If, after entering the booth a voter needs further instruction regarding the operation of the voting machine or device, a precinct board member shall provide the requested information. (§ 14272.)

Upon leaving the voting booth, the voter will hand the folded ballot or the envelope containing the ballot to a precinct board member, who shall remove the ballot stub, hand it to the voter, and deposit the ballot into the ballot container. (§ 14277.)

As soon as the polls are closed, the precinct board shall remove the voted ballots from the ballot container and take them out of the secrecy envelopes or detach them from the secrecy stubs. Where the envelope or stub is also the write-in ballot, and a write-in vote has been registered thereon, the ballot card shall not be separated from the envelope or stub. If two or more separate ballot cards have been used in the election, the precinct board shall sort them into groups, each of which shall contain the same series of ballot cards. (§ 14420(a).)

After completing the action described in subdivision (a), the precinct board shall count the number of ballot cards in each group, and certify the number of ballots cast on the voting roster as provided by Section 14105. If there is any discrepancy between the number of voters listed in the roster and the number of ballots voted, this fact shall be noted with an explanation of the difference and signed by all members of the precinct board. (§ 14420(b).)

The precinct board shall group voted ballot cards and voted separate write-in ballots, as directed by the elections official, and place them in containers. The board shall also place spoiled and void ballots, if any, in containers as directed by the elections official. All of these ballots, along with the containers for voted ballot cards, shall be placed in one or more boxes, which shall then be sealed and delivered as soon as possible to the receiving centers or central counting places with the unused ballots, supplies, and other materials as directed by the elections official. (§ 14421.)

The ballots may be counted at the polls if a counting or tabulating machine approved therefor pursuant to Article 1 (commencing with Section 19200) of Chapter 3 of Division 19 is available at the polls. (§ 15250.)

All proceedings at the central counting place, or counting places, if applicable, shall be open to the view of the public but no person, except one employed and designated for the purpose by the elections official or his or her authorized deputy, shall touch any ballot container. Access to the area where electronic data processing equipment is being operated may be restricted to those persons authorized by the elections official. (§ 15204.)

The county central committee of each qualified political party may employ, and have present at the central counting place or places, not more than two qualified data processing specialists or engineers to check and review the preparation and operation of the tabulating devices, their programming and testing, and have the specialists or

engineers in attendance at any or all phases of the election. (§ 15004.)
